

# Adding Sounds to My Favorites and Creating My Hunts

## *Alpha Dogg and Turbo Dogg*

### My Favorites

1. Select My Favorites
2. Push the Hot 1 (Alpha) or Right (Turbo) button
3. Scroll to desired sound from list, push select to add
4. Back out to My Favorites and repeat the process for each sound you would like to add

### My Hunts

1. Select My Hunts
2. Push the Hot 1 (Alpha) or Right (Turbo) button to create new hunt
3. Use the arrows to create a name for your new hunt
4. Push the Select button to save the name
5. Push the Hot 1 (Alpha) or Right (Turbo) button to add a sound
6. Scroll to desired sound and choose by pushing Select
7. Repeat steps 5 and 6 for each desired sound
8. Once all sounds are added, push the 2 button (Alpha) or Menu button (Turbo) to save your hunt

NOTE: You MUST add sounds in the order you want them to play. You will not be able to change the order after adding the sounds.
